Crafts

34 Boys went to Blairgowrie on Saturday 14 March and heard a story and a poem about animals. They then created an animal of their choice from the huge range of craft materials they were given.

After some juice and biscuits there was time for a few games before the visiting Companies had to head home on their bus.

The March **Seniors' Sunday** was held on 15th when Boys from Scone and Blairgowrie enjoyed games, pizza and fellowship in Blairgowrie.

Details of the April Seniors' Sunday will be emailed to Companies shortly and will also be available on the website.

Seniors are encouraged to attend the **planning meeting** on 14 June to share ideas about Battalion events for next year – this is your chance to have your say!

Juniors' Weekend

Last weekend the 3rd year Boys from 1st Scone had a joint camp with 1st Bankfoot at Edinburgh Battalion's Outdoor Centre, Craggan, on Loch Tay. There were 18 Boys and 5 Officers.

Everyone had great fun, with competitions and prizes and on the Saturday afternoon a trip to Kenmore, where the Boys had a game of football and played in the park followed by a treasure hunt and a walk along the waters edge. Round the back of the Church we found a rope swing which all the Boys had a go on.

M&D's Theme Park, Strathclyde Park, Glasgow are offering BB groups Unlimited Ride Wristbands on Sat 9 May for only £6.50 per person. If you're interested in going speak to your Officers!

If your Company or one of your Sections has been up to something tell others about it.
